Hard to believe we have yet again seen localised flooding impacting on our community. Thank you to all our families for your understanding and communication during this time. We understand and appreciate the impact the disruption has on students, all classroom teachers take this into consideration when planning classroom learning programs and making adjustments.

If there is anything you would like your child's teacher to be aware of, please speak with them. This week we have a wonderful opportunity for all families to touch base with teachers, through our Term 1 Parent, Teacher and Student meetings. These meetings enable for open communication, planning of term 2 goals and discussion of term 1 goals. These meetings will be held on Thursday 3rd of April, bookings area available through School Bytes.

Play to Learn: Will continue on Wednesday mornings from 9.30-10.30 am. It is wonderful to see younger children building confidence and relationships with the staff and other students. If you know of anyone who would be interested in joining, please share the flyer at the end of the newsletter. Please note any adult attending is asked to sign in at the office, using the QR code or our school concierge device.

Transition: Transition to Kindergarten will commence on Tuesday 1st of April, starting at 9am-11am. This is the beginning of our Transition days, these days will slowly increase as we progress through the year. Please see attached flyer to share with anyone who may be interested.

Parent/Teacher/Student Interviews: Towards the end of each term, we offer parent/teacher/student meetings for all our families to keep informed on your child's progress at school and to set learning goals for the following term. We encourage all parents to take this opportunity, it is a great way to for students to see the connection between home and school and the support they have. During these check-ins, we will have discussions around student strengths and areas for improvement.

We will hold these meetings on Thursday April 3rd from 9.30am-3.30pm.

To make a booking:

Go to School Bytes dashboard and select “**Interviews**” under the Quick links tab. Click on the drop down arrows and select your preferred time/s.

If you need assistance please speak to staff.

Emergency Drills: Each term we will be practicing one of our Emergency Drills. If you hear our bells, please know that if it is an actual emergency we will be communicating this with you. Our first drill will be held tomorrow afternoon.

P&C News

Thank you to all the parents and carers who attended the recent P&C AGM and to those who sent their apologies in.

Sincere thanks to those who have jumped in to become involved in the P&C for 2025. Thank you to those who held positions over the last 12 months, the last year has seen the P&C support students in excursions, resources for the school, uniforms and more.

It has been wonderful to see many new members join and getting involved to keep the P&C going.

Congratulations and thank you to those who were nominated and accepted positions for 2025:

President: Nathan Godfrey
Vice President: Jamie Govier
Treasurer: Zoe Kahika
Secretary: Allyce King
Tuck Shop: Allyce King

Next meeting is: Wednesday 14th of May at 3.30pm

The P&C will be running our Easter Raffle again this year, this is one of our annual fundraisers. The Raffle will be drawn on Thursday 10th of April at our Easter Hat Parade/Hunt. We are asking for donations that are suitable to go towards this fundraiser, any donation is appreciated, as items will be combined to make a variety of different sized prizes. These can include, Easter Eggs/chocolates, Easter Crafts, Soft Toys. We thank you for the support.

KINDERGARTEN TRANSITION

We understand that starting kindergarten is a significant milestone for both children and their families. As a small, student/family-focused school, we are dedicated to creating a nurturing and supportive environment that makes this transition as smooth and joyful as possible.

Our Transition to Kindergarten program is a play-based approach based on hands-on activities such as games, songs, drawings and social interaction as part of the family-to-school transition.

Please contact for more information and enrolment form.
